Customers can receive the best mail-in rebate with the purchase of a Syncrowave 210 and at least \$200 of additional Miller or Hobart Products on the same invoice.

Welding Helmets

Includes the MP-10 Series, Classic Series, Digital Pro-Hobby Series, Digital Performance Series and Digital Elite Series.

INDURA Welding Jackets

Features superior fit and craftsmanship, with flame-resistant 100 percent cotton. Flame resistance guaranteed for the life of the jacket.

TIG Welding Gloves

Completely unlined for heightened feel and dexterity, making them ideal for TIG welding applications. The triple-padded palm provides added comfort, and premium goat-grain leather offers superior flexibility and dexterity.

Oxy-Fuel Kit

Includes accessories for cutting metal up to 5/8-inch thick and welding metal up to 1/8-inch thick.

AK-150MFC Accessory Kit

Converts a standard Weldcraft A-150 (WP-17) Tig torch into 28 different styles while using the existing cable. Features collets, collet bodies, nozzles, torch heads handle and more.

Protective Cover

Heavy-duty, water and mildew resistant cover provides superior protection from the elements.

Wireless Remote Foot Control

For remote current and contactor control. Receiver plugs directly into the 14-pin receptacle of many Miller machines. Operating range: 90 feet (27.4m)

AK2C Accessory Kit

Features one short back cap and multiple sizes of collets, collet bodies, alumina nozzles and tungsten for a Weldcraft A-150 (WP-17) TIG torch.

ArcStation 30FX Workbench

Portable workbench offers flexibility and space savings. Unique folding design and convenient handle and wheels for easy transportation to the jobsite or movement in the shop or garage.
